

Rundoo works with Buttery Company

The AI-first platform for 2,000 hardware, farm, and ranch retailers across the Southwest

WHY BUTTERY COMPANY CUSTOMERS LOVE RUNDOO

- 1 We are at the Buttery Company shows.** Find Rundoo on the show floor at Buttery Company events, ready to show you what the software looks like running a store like yours.
- 2 Order from the groups you already buy through.** Rundoo brings integrated ordering from Orgill, True Value, Do It Best, Emery Jensen, and House Hasson into one place.
- 3 Receiving, pricing, and inventory that move together.** Receiving, price updates, and inventory maintenance are connected workflows rather than three separate systems.
- 4 Dooley, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooley answers from your own live data.
