2. **Ring a sale in seconds.** Type a few letters of the name and it's on the ticket.
3. **Open a web store this season.** Your products online with the same prices and stock as the counter.
4. **Sell gift cards and hold store credit.** Gift cards for spring and the holidays, and store credit for returns.
5. **Dooey, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooey answers from your own live data.
