

Rundoo works with House-Hasson Hardware

The AI-first platform for America's largest independent regional hardware distributor

WHY HOUSE-HASSON HARDWARE CUSTOMERS LOVE RUNDOO

- 1 A real House-Hasson Hardware connection.** Rundoo connects directly to House-Hasson Hardware for catalog, ordering, receiving, and price changes, so nothing is re-keyed into a separate portal and your buyer orders against the catalog your counter sells from.
- 2 We are at the House-Hasson Hardware shows.** Find Rundoo on the show floor at House-Hasson Hardware events, ready to show you what the software looks like running a store like yours.
- 3 Dooley, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooley answers from your own live data.
