Rundoo | LANCASTER

Rundoo works with Lancaster

> Rundoo is built for independent paint retailers that buy from Lancaster. Manage your store in one system, load Lancaster products into your catalog, and simplify how your team orders and receives inventory.

WHY LANCASTER CUSTOMERS LOVE RUNDOO

1. **Lancaster products, ready for Rundoo.** Rundoo can load Lancaster's product catalog into your account, so your team can start with thousands of Lancaster items already available to add to inventory.
2. **Order from Lancaster within Rundoo.** Build and send Lancaster purchase orders in the same system that tracks your inventory.
3. **We are at the Lancaster shows.** Find Rundoo on the show floor at Lancaster events, ready to show you what the software looks like running a store like yours.
4. **Dooey, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooey answers from your own live data.
