LMC Building Business Together

Rundoo works with LMC

> The AI-first platform for independent lumber and building material dealers

WHY LMC CUSTOMERS LOVE RUNDOO

1. **Order from the groups you already buy through.** Rundoo brings integrated ordering from Orgill, True Value, Do It Best, Emery Jensen, and House Hasson into one place.
2. **Receiving, pricing, and inventory that move together.** Receiving, price updates, and inventory maintenance are connected workflows rather than three separate systems.
3. **Compare vendor pricing and let AI keep prices current.** Compare pricing from your connected vendor catalogs and use AI to make more informed purchasing decisions and keep.
4. **AI that watches margin and accounts.** Use AI to analyze lost margin, search which accounts are past due.
5. **Dooey, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooey answers from your own live data.
