# Rundoo works with NHPA

Partnering with the voice of independent hardware and paint retailers

## WHY NHPA CUSTOMERS LOVE RUNDOO

1. **We are at the NHPA shows.** Find Rundoo on the show floor at NHPA events, ready to show you what the software looks like running a store like yours.
2. **Order from the groups you already buy through.** Rundoo brings integrated ordering from Orgill, True Value, Do It Best, Emery Jensen, and House Hasson into one place.
3. **Receiving, pricing, and inventory that move together.** Receiving, price updates, and inventory maintenance are connected workflows rather than three separate systems.
4. **Dooey, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooey answers from your own live data.
