

Rundoo works with Orgill

The AI-first platform for the world's largest hardlines distributor

WHY ORGILL CUSTOMERS LOVE RUNDOO

- 1 A real Orgill connection.** Rundoo connects directly to Orgill for catalog, ordering, receiving, price changes, and more, so nothing is re-keyed into a separate portal and your buyer orders against the catalog your counter sells from.
- 2 We are at the Orgill shows.** Find Rundoo on the show floor at Orgill events, ready to show you what the software looks like running a store like yours.
- 3 Order from the groups you already buy through.** Rundoo brings integrated ordering from Orgill, True Value, Do It Best, Emery Jensen, and House Hasson into one place.
- 4 Dooley, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooley answers from your own live data.
