Rundoo

Rundoo works with PACOA

> Modernize how you run the store without changing where you buy. Rundoo works alongside the PACOA purchasing relationships you already have.

WHY PACOA CUSTOMERS LOVE RUNDOO

1. **Get special implementation pricing.** PACOA-referred retailers receive special implementation pricing, while still getting Rundoo's standard hands-on onboarding and setup.
2. **Earn rewards for referrals.** PACOA participates in the Rundoo Referral Program.
3. **Keep PACOA products organized.** Manage the PACOA products you carry, update pricing as it changes, and keep product information tied to inventory.
4. **Order and receive in one workflow.** Create PACOA purchase orders in Rundoo, receive shipments against those same orders, and update stock counts as products arrive.
5. **Dooey, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooey answers from your own live data.
