

Rundoo works with Pittsburgh Paints

The AI-first platform for paint and coatings retailers

WHY PITTSBURGH PAINTS CUSTOMERS LOVE RUNDOO

- 1 **A real Pittsburgh Paints connection.** Rundoo connects directly to Pittsburgh Paints for ordering and catalog, so nothing is re-keyed into a separate portal and your buyer orders against the catalog your counter sells from.
- 2 **We are at the Pittsburgh Paints shows.** Find Rundoo on the show floor at Pittsburgh Paints events, ready to show you what the software looks like running a store like yours.
- 3 **COLORx integration.** What gets dispensed in COLORx 6 or 7 flows into the sale in Rundoo, including the product, base, color, and quantity.
- 4 **Dooley, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooley answers from your own live data.
