

Rundoo works with PlantTAGG

Plant information and care, from the bench card to the register

WHY PLANTTAGG CUSTOMERS LOVE RUNDOO

- 1 **Bill landscapers on account at their price.** The pro on terms and the retail customer at the counter, on one system.
- 2 **Run the nursery from your phone.** Prices, stock and counts out where the plants actually are.
- 3 **Dooley, the AI built into every screen.** Ask which charge accounts have gone past due, where you lost margin last month, or what to leave off the next purchase order, and Dooley answers from your own live data.
